STEVE BRIDGER

YOUR COMMUNITY CANDIDATE

Dear Resident,

I am standing as an Independent to represent Yatton, Claverham, Kingston Seymour and Kenn in the elections to North Somerset Council on 2nd May.

This is a significant moment in the evolution of our community. The question now is how best we shape the inevitable growth... while at the same time protect and enhance what is most special to us.

North Somerset Council faces tough choices every day, but I have been frustrated at the lack of joined-up thinking. Nobody in a position of influence seems to be looking at our community as a cohesive whole or planning for its future.

We have to change the way business is done. I want more openness and better communication between the Council and the community. As a councillor I can do something positive and tangible - rather than simply hold others to account all the time.

I will bring some energy to the role and a fresh approach; I will be open, honest, and accountable to you...not to a political party.

Sometimes I will lead, sometimes I will join in, and sometimes I will just lend a hand or connect local people and ideas to each other and to community organisations already doing great work. I promise to play my full part.

I hope I win your confidence on Thursday 2nd May. It would be an honour to represent you on North Somerset Council.
