Dear Owner/Occupier,

Carriageway surfacing

As part of North Somerset Council's commitment to improving the district's roads, we will soon be surfacing North End Road, from Wemberham Lane to Ham Lane, as per the map attached to this letter (red).

Surfacing works are anticipated to commence on Monday 11th October 2021 for 7 days in duration, ending Tuesday 19th October 2021. In order to carry out the works safely, we will need to close North End Road overnight, between the hours of 8pm and 6am.

To minimise disruption caused by the works, we will split North End Road into two sections for first 5 days of the works, with the full extents closed on Monday 18th and Tuesday 19th.

The works programme is as follows:

- On Monday 11th and Tuesday 12th we will close North End Road from Wemberham Lane to Arnolds Way to complete surfacing works, with localised civils works completed under traffic signals from Arnolds Way to and including Ham Lane.
- On Wednesday 13th to Friday 15th we will close North End Road from Arnolds Way to Ham Lane to complete surfacing works.
- On Monday 18th and Tuesday 19th we will close North End Road from Wemberham Lane to Ham Lane on to reinstate road markings and complete surfacing works.

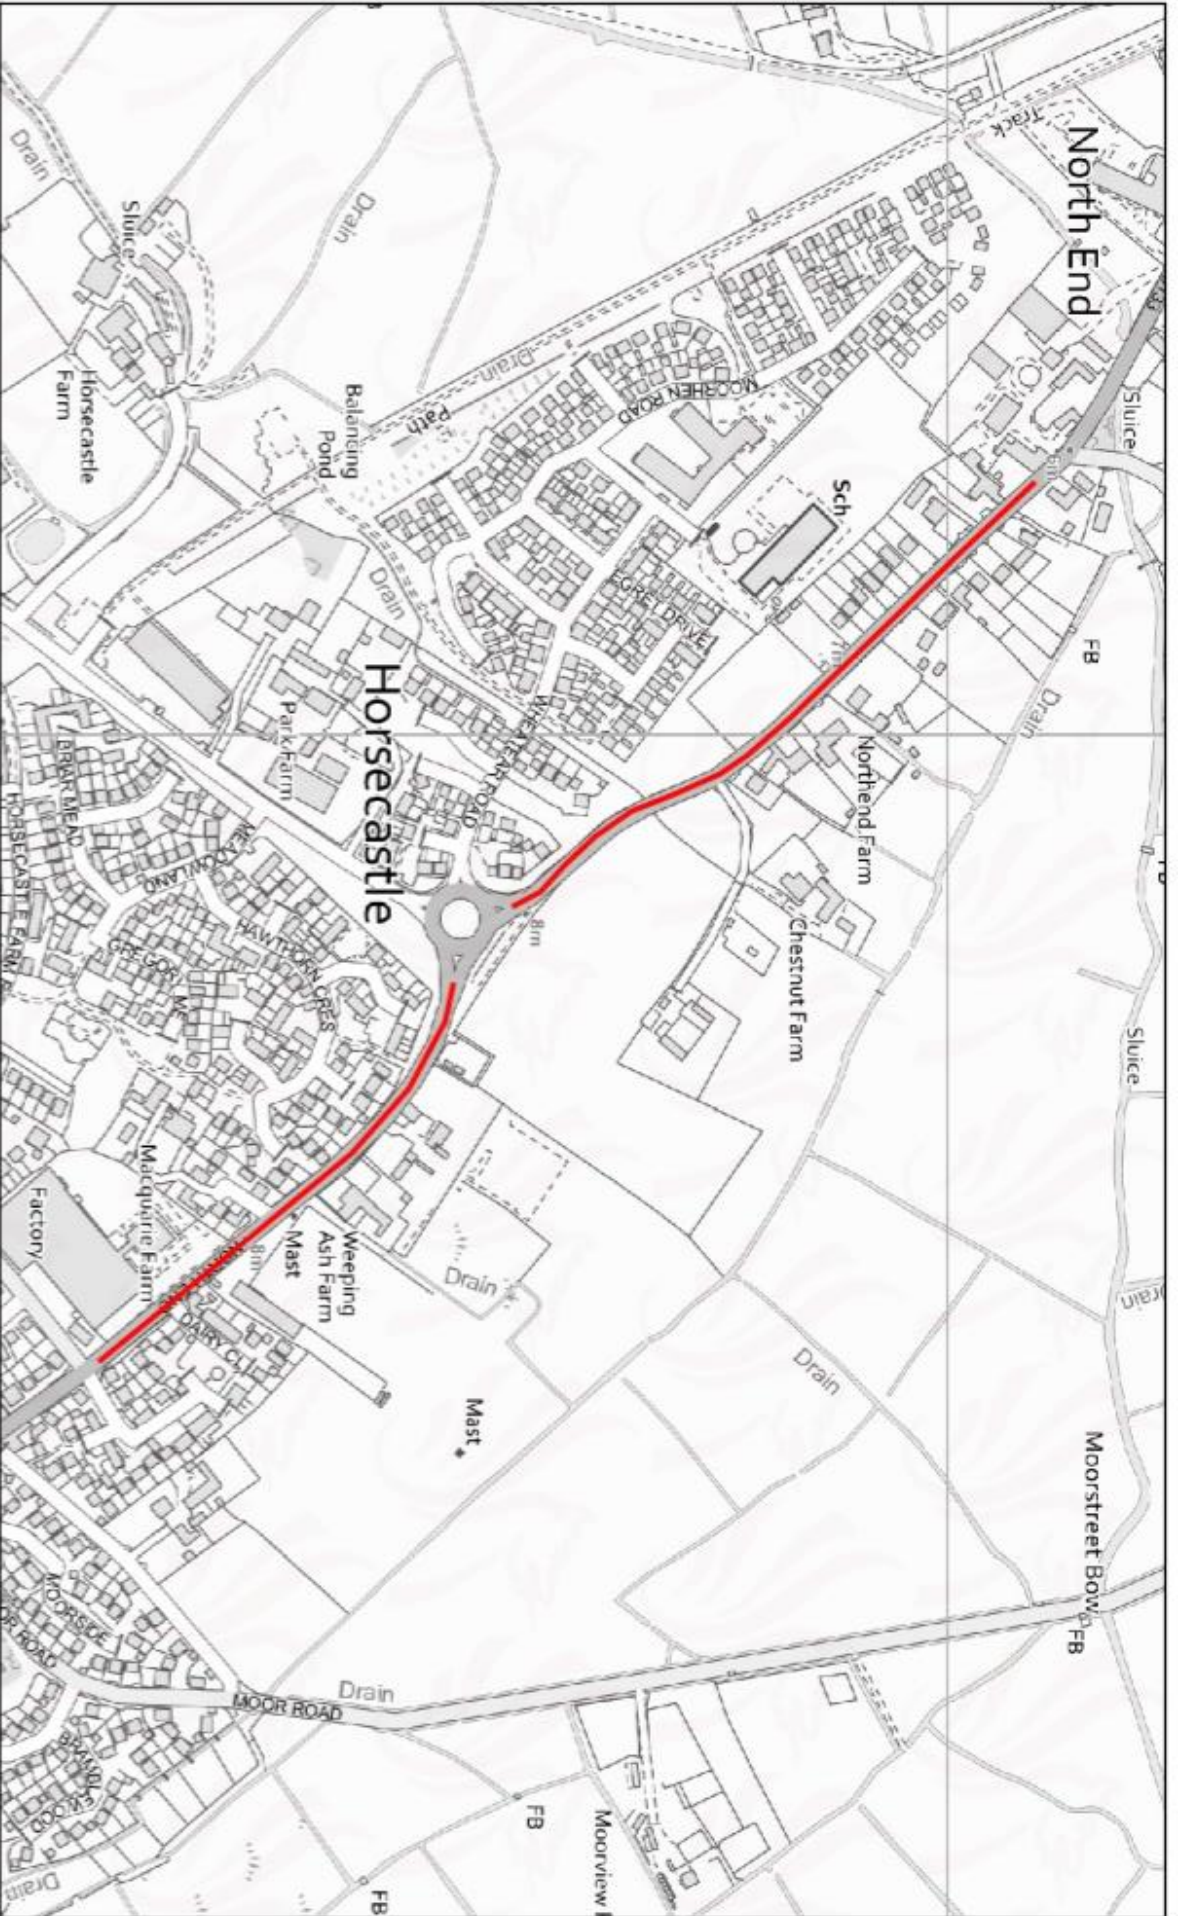

Please access North End Road from either section, as detailed above to help the works be completed as efficiently as possible. We will have staff on site who will be able to advise of access arrangements throughout the works, particularly on the final two nights.

Owing to the nature of the works, vehicular access will be impeded during the closure, this means, for periods vehicular access will not be possible. Therefore, please reduce vehicular movement where possible. We will make every effort to keep disruption to a minimum throughout the works.

Pedestrian access to properties will be maintained at all times, and there will be staff on site who will be able to advise you of access arrangements on each night.

Yours faithfully,

Highway Operation
Place Directorate
