Dear Owner/Occupier

Footway widening and kerb alignment works – High Street, Yatton

Further to our recent letter, as part of North Somerset Council's commitment to making the High Street safer for walking and wheeling, the council's contractors will soon start widening the footway along the section between Grassmere Road and Laurel Gardens. We will also be installing a raised hump to the existing zebra crossing on this stretch and reducing the crossing distance for pedestrians at the Barberry Farm Road junction.

Works are due to commence on **Monday 13th March 2023** for an anticipated duration of **6 weeks**. In order to carry out the works safely, some of the parking between The Ridge and Grassmere Road will need to be coned off to accommodate the temporary traffic lights to ensure the flow of vehicle movements during the works period.

No work on the stretch between Grassmere Road and The Ridge will take place during this phase, pending further consultation with residents.

If you have any questions, please contact me on the contact details at the top of this letter. As we are not based in an office permanently, the best way to communicate will be via email.

Kind regards,

Michael Herbert
Senior Engineer
Place Directorate
North Somerset Council
